the allotments provided in the budget have been found to be insufficient to meet the charges under this head. I therefore request that the House may be pleased to grant an additional allotment of Rs. 13,800 made up of Rs. 2,000 under "20 Education secondary boys—Salary Grant"; Rs. 2,000 under "20 Education—Secondary Boys—Ordinary Grants"; Rs. 2,000 under "20 Education—Secondary Girls—Salary Grant, Rs. 300 under "20 Education—Secondary Girls—Ordinary Grant"; Rs. 4,500 under "20 Education—Primary Boys—Ordinary Grant"; Rs. 1,000 under "20 Education—Primary Girls—Salary Grant" and Rs. 2,000 under "20 Education—Primary Girls—Ordinary Grant".

I have tried to explain how this amount could not be fully anticipated at the time of framing the estimate and in the light of the figure we have actually obtained now it has become incumbent upon Government to pay these additional grants to these schools which have been in an unfortunate position during the months of evacuation, I request the House may be pleased to grant these additional grants under the several heads mentioned above.

Demands put and carried

77. Rs. 2,200 under "20 Education—8-Miscellaneous (h) Other charges"

Rao Sahib I. N. Menon *(Director of Public Instruction):* Sir, I move for an additonal grant of Rs. 2,200 under "20-Education—8 Miscellaneous—8 Other charges". This additional grant is required to defray the expenses in connection with the inter-school sports. At the time of framing the budget it was not possible to anticipate the exact charges under this head. It was not possible even to anticipate the exact number of competitors who would be coming up for the events. It is upon the previous experience, I think, I underestimated the number who would be coming. On account of the unsettled conditions, difficulties of transport and the cost of living, it was reasonable to expect that the number of competitors would not be very large. But unfortunately for me and fortunately for education more competitors have come up this year and it has become necessary to meet this additional expenditure. There was only a provision of Rs. 3,400 while the actual expenses have come up to Rs. 5,600. This represents the increase in the number of competitors, the additional cost of travel and transport, the additional food charges and lodging charges in Ernakulam. The amount is of course small, and it is supported by a necessary item. I therefore request the House will be pleased to grant the additional allotment.

Mr. C. V. Iyyu *(Kunnamkulam):* Sir, I oppose the motiom. My purpose in opposing this motion is to bring to the notice of Government the unfair decision of the Government in connection with the Drill Instructors who are physically trained in V. R. Ayyar's Gymnasium. Either they may be allowed to go to Madras at Governmet expenses.....

Mr. President: Order, order. Does this arise out of the present motion.

Mr. C. V. Iyyu *(Kunnamkulam):* Physical Education and sports go side by side.

Mr. President: I am afraid I cannot admit that.

Motion put and carried.

The House rose for the day at 5 p.m.
